Commencement Traditions

A History of Baylor Commencement

Baylor University was chartered by the Republic of Texas in 1845 and Baylor trustees voted to grant certificates and diplomas in 1854, following a similar policy of Brown University, a Baptist school in Providence, Rhode Island. That same year Baylor celebrated its first official commencement at Independence, Texas, with the granting of an A.B. degree to Stephen Decatur Rowe. The following year the University granted a degree to the first woman graduate, Mary Kavanaugh Gentry. By 1856, the number of graduates increased to six men and two women.

The University moved from Independence to Waco in 1885 and commencement ceremonies were likely held each spring in the chapel of Old Main. Starting in 1903, commencement ceremonies were held in the chapel of Carroll Library. After the 1922 Carroll Library fire, the third floor chapel was not rebuilt and a new chapel-gymnasium structure served as the venue.

In 1930, commencement ceremonies were moved to Waco Hall, the newly constructed Baylor facility funded by the City of Waco. In 1943, the spring ceremony reflected the effects of World War II, when 43 of the 282 degrees conferred were given “in absentia” due to students serving in the armed forces.

By the early 1950s, commencement was held at either Municipal Stadium or Baylor Stadium (later known as Floyd Casey Stadium). Spring commencements moved to the Heart of Texas Coliseum from 1956 to 1988. With the completion of Ferrell Center in fall 1988, Baylor commencement ceremonies returned to campus. In 2009, spring graduation was expanded to three ceremonies over two days and more than 1,800 students participated.

From 400 to more than 800 students graduate in summer and fall ceremonies.

In 1889, the University began holding summer ceremonies, which were held at a local Baptist church, then Waco Hall and now Ferrell Center.

In 1984, the tradition of December ceremonies was begun. The December 2011 commencement marked the first time that two winter ceremonies were held.

In spring 2021, Baylor held its first commencement ceremonies at McLane Stadium in the midst of the COVID-19 pandemic. Six ceremonies were held over three days after an 18-month hiatus due to the virus. The ceremonies were the first to be held outdoors since 1955 at Floyd Casey Stadium.

Separate ceremonies are held for George W. Truett Theological Seminary and Baylor Law School.

Participating in Commencement

Conferral of an academic degree is a separate event from the public commencement ceremony that symbolically commemorates that academic achievement. Baylor students who participate in commencement ceremonies are considered candidates for a degree. The final awarding of degrees and honors is contingent upon the satisfactory completion of the appropriate requirements by each candidate. Degree conferral is not official until grades are posted and candidates are certified as having completed all requirements. Only then do graduates receive their diplomas.

The Saint John’s Bible

The Saint John’s Bible is the first hand-scripted on vellum, fully illuminated version of the Bible commissioned since the creation of the printing press more than 500 years ago. It was commissioned in 1998 by the Benedictine monks of Saint John’s Abbey and University in Minnesota to ignite the spiritual imagination of believers throughout the world and to illuminate the word of God for a new millennium. In 2019, Baylor University acquired a limited Heritage Edition of the Saint John’s Bible — the 105th of 299 that were created. The Heritage Edition series features the only full-size, handbound, signed and numbered fine art editions that will ever be produced. Each volume measures two feet by three feet, and its 1,115-plus pages include the calligraphy, vibrant imagery and gold and silver foil illuminations handcrafted by artists across the world.

The display stand for the volume of the Heritage Edition of the Saint John’s Bible was handcrafted by Saint John’s Abbey Woodworking and made of quarter-sawn red oak sustainably harvested from the Abbey’s own forests. Generations of monks and local craftsmen have designed and created custom furniture at the shop for 150 years, utilizing traditional woodworking techniques, and today, they seek to give witness to the value of manual labor, stewardship and perpetuation of craft in the 21st century.

Academic Regalia

Academic dress traces its beginnings to the Middle Ages. When English universities were forming in the 12th and 13th centuries, scholars were also clerics and they adopted robes similar to those of their monastic orders. Caps were a necessity in drafty buildings and capes with hoods attached were needed for warmth. In 1895, the Intercollegiate Commission specified a code that was adopted by American institutions of higher learning to standardize the regalia worn by faculty and graduates. It has stood virtually unchanged to present time.

The bachelor’s gown has pointed sleeves, while the gown for the master’s degree has an oblong sleeve, open at the wrist. The doctoral gown, which may be worn open or closed, is trimmed down the front with velvet and has three velvet bars on the bell-shaped sleeves. These facings and crossbars may be black or may be the color distinctive to the discipline to which the degree pertains.

The hood is the most distinctive feature of American regalia. At Baylor, hoods are worn for the master’s degree, the education specialist degree, and all doctoral degrees. The doctoral hood is longer and marked by a wider velvet binding. The color of the velvet edging of the hood indicates the degree; the color of the lining represents the university that confers the degree.

Colors for the various disciplines include white for the Master of Arts; gold for Master of Science; Fine Arts, brown; all music degrees, pink; social work, citron; business administration, drab; divinity and theology degrees, red; law, purple; education, light blue; nursing, apricot; engineering and computer science, orange; public health, salmon; Doctor of Psychology, dark blue; Doctor of Science, golden yellow; and Doctor of Philosophy, royal blue. All master’s degree candidates wear black tassels with the appropriate hood.

The University introduced unique doctoral regalia in 1995, its sesquicentennial year. The gown is forest green with dark green velvet crossbars on the sleeves, outlined in gold braid. The velvet on the matching doctoral hood reflects the degree. A velvet, eight-sided tam with gold bullion tassel completes the regalia.

The Diploma

The design of the diploma was introduced in 2000 and features an original pen-and-ink drawing of Pat Neff Hall by Baylor art professor Berry Klingman. The diploma is 14 inches x 11 inches horizontal. Signatures of the chair of the Board of Regents, the president, the provost, and the appropriate dean, along with a gold embossed seal, are on the diploma.

Graduating with Latin Honors

Undergraduate students are eligible for graduation with Latin honors by meeting the following GPA requirements:

Cum Laude	3.75
Magna Cum Laude	3.85
Summa Cum Laude	3.95

Only Baylor University residence credit is considered in calculating these averages. For ceremony purposes, Latin honors are based upon the prior term GPA. Final Latin honors will be calculated once all grades are in and degrees are awarded. The most accurate information will be reflected on the diploma and the transcript.

The Honors Program

The Honors Program offers smaller, distinctive classes and encourages an in-depth approach to learning with close faculty contact. Students choose this program for the opportunity to delve more deeply into courses and a topic of their choosing by engaging in independent research opportunities that culminate in the senior thesis.

Baylor Interdisciplinary Core

The Baylor Interdisciplinary Core (BIC), one of the four programs housed in the Honors College, provides students with an alternative core curriculum for their general studies requirements.

Honor Societies at Baylor

Baylor University is proud to host chapters of national and international honor societies in almost all academic departments and disciplines. These honor societies recognize scholastic excellence among undergraduate and graduate students. Students are accepted as members based on scholastic rank within their academic discipline. It also is common among many societies to include criteria relating to the character of a member, requiring leadership or service credits. Many of these organizations also have an induction ceremony for their graduates. Members of national academic honor societies are recognized in the ceremony by displaying approved insignias, cords or stoles on the standard academic regalia. Honor societies play a valuable role in student life.

The Official Baylor Ring

The Official Baylor University Ring is a longstanding tradition among alumni, visually celebrating the academic achievement of Baylor graduates. Seniors wear the ring with the Baylor seal facing them. Graduates turn the ring on graduation day so the seal is read by those who look at the ring. This change signifies their preparedness to face the world with an education in hand. Official Baylor Rings are presented in spring and winter ceremonies where they hear the Baylor story beautifully portrayed in the details incorporated into the ring's design.

Judge Sue “Lady” Sloan, Class of 2023

The Class of 2023 includes a very special graduate — our beloved American black bear, Lady! For 21 years, Lady has resided in the heart of Baylor's campus in the Bill and Eva Williams Bear Habitat, a facility accredited by the Association of Zoos and Aquariums. Baylor became the first university in the world to receive this accreditation and also holds additional licensing and receives regulatory oversight from the United States Department of Agriculture.

Like many of the 2023 graduating seniors, Lady will move out of her campus home this summer and into the next stage of her life. For Lady, that includes a private, auxiliary facility fully maintained by her Baylor Bear Habitat caregivers, staff and veterinary team. Lady's new home features native trees for shade, a new wading pool, heated flooring for cold weather and a new cooling system for the summer heat. She will continue to receive regular enrichment and medical treatment designed for aging animals that help ensure her comfort and free movement.

The University intends to continue the tradition of live bear mascots on campus by welcoming new bear cubs into the Baylor Family. Next steps require carefully finding cubs that are in need of a home and whose temperament indicates they will likely thrive at Baylor where daily enrichment and activities place them in close proximity to their human caregivers and visitors.

We hope you will join the Baylor Family in celebrating Lady's graduation with a gift supporting the Baylor Bear Habitat.

The National Anthem

O say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?

And the rockets' red glare, the bombs bursting in air
Gave proof thro' the night that our flag was still there.
O say, does that Star-spangled banner yet wave
O'er the land of the free and the home of the brave.

Francis Scott Key, 1814

That Good Old Baylor Line

*That Good Old Baylor Line!
That Good Old Baylor Line!
We'll march forever down the years
As long as stars shall shine.
We'll fling our Green and Gold afar
To light the ways of time,
And guide us as we onward go:
That Good Old Baylor Line!*
